REMARKS AFTER ALLOWANCE REGARDING PATENT TERM ADJUSTMENT

In response to the "Determination of Patent Term Adjustment" provided with the "Notice of Allowance" dated August 31, 2011, in the above application, Applicants submit the present letter of notice regarding the patent term adjustment calculation.

In compliance with the practitioner's duty of candor and good faith, Applicants hereby disclose that a possible error has been made on the part of the U.S. Patent and Trademark Office. Applicants believe the term adjustment of 2272 days, as indicated on the "Determination of Patent Term Adjustment," is longer than appropriate.

MPEP § 2733 states, in part, "Where the correct patent term adjustment is thought to be less than indicated by the Office, an application for term adjustment under 37 CFR 1.705(b) need not be filed." Accordingly, this notice should not be construed as a request for reconsideration of patent term adjustment.

The Commissioner is hereby authorized to charge any payment of fees associated with this communication or credit any overpayment, now and during the pendency of this application, to Deposit Account No. 23-3050.
